ORION

Bedroom

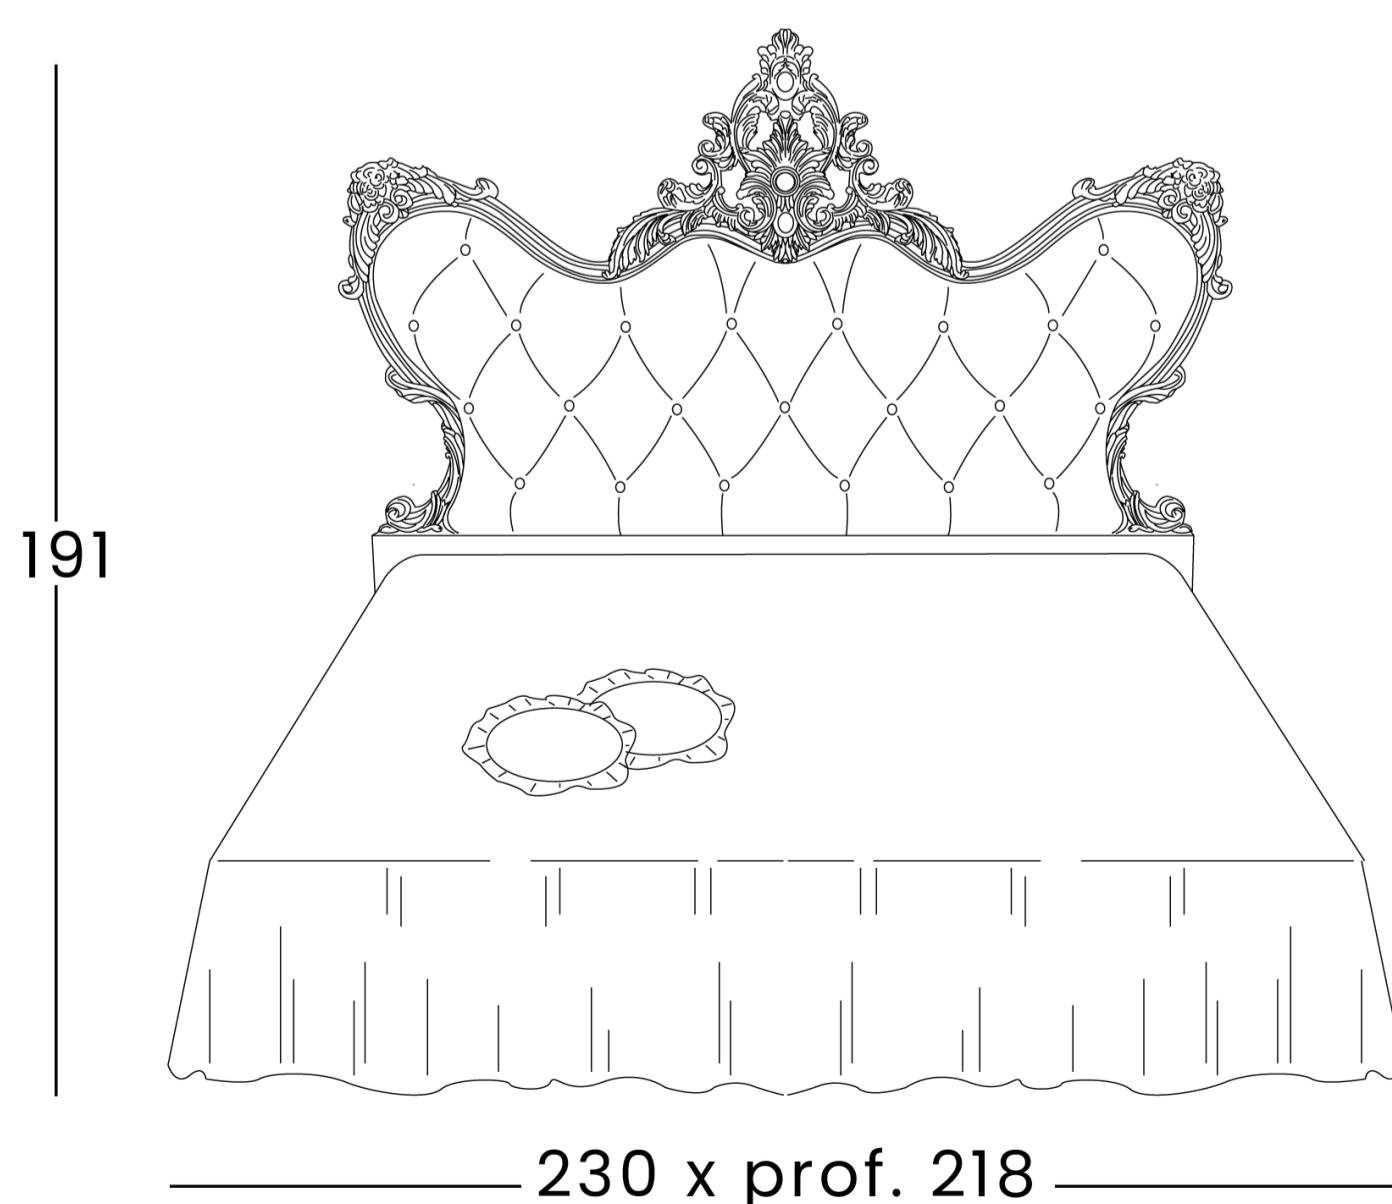

The Orion collection is regal and charming. Each piece of furniture is properly studied with a preponderance of curls and long leaves often embellished with gold leaves and patinas. The wide headboard catalyses the attention of every spectator giving a vision of luxury and glitz. Night table, dressing table and chest of drawers perfectly recall the details of the bed, the protagonist of Orion set.

Dressing table

The dressing table of the Orion bedroom recalls the shape of the night table of this collection using it on both on left and right side to compose an article perfectly in line with the classic style of the set. Two and twenty meters long, this dressing table is functional and perfect to match with a seat as elegant as a pouf and a mirror finely crafted.

Pouf

A fundamental accessory to any bedroom, the pouf is the detail that characterizes some corners of the room. With its 46 cm high it is perfect to be placed as a comfortable seat in front of the dressing table to relax in front a mirror. Finishing and selection of fabric will be the real characterizations of this small article.
